*"Often clients come in, we talk through their case, and afterward they say that no one else has explained it to them as clearly as I have. I derive great satisfaction in taking the fear out of an emotional and complicated situation by imparting the client with knowledge and concrete analysis."*

**A prominent practitioner and a sought-after speaker, Candice L. Komar is known for trailblazing collaborative work and dedication to improving the practice of family law.**

### **Innovative Approach to Family Law**

Candice has established herself as a leader in collaborative law as well as a formidable opponent in the courtroom by leveraging her affinity for business and her understanding of the sensitivity surrounding family law. A certified mediator, who is also a fierce courtroom litigator, Candice excels at divorces involving valuation of closely held businesses and child support litigation. Candice's legal experience is complemented by a constellation therapy certification, providing her a deeper understanding of her clients' motivations. With her unique perspective, she crafts legal strategies leveraging the interests of both parties.

### **Strong Legal Voice**

Candice is regularly called upon by media to discuss various topical legal issues which impact family law, including those highlighted by celebrity divorces in the news. Her candid, hard-hitting and unbiased opinion garners her national speaking engagements and network television interviews. Candice's pioneering work in collaborative law and general interest in alternative dispute resolution make her an in-demand speaker and lecturer on negotiation and conflict resolution.
