## Robert D. Raver

### Associate

Robert D. Raver is an associate attorney at Pollock Begg Komar Glasser & Vertz LLC with a practice spanning all aspects of matrimonial law including equitable distribution, custody and support. In his practice he negotiates and drafts prenuptial, postnuptial, property settlement and marriage settlement agreements. Additionally, as a certified collaborative attorney, he helps clients avoid litigation by identifying interests, motivations and positions, ultimately crafting settlements specific to his clients' unique needs rather than a one size fits all approach.

### Natural Writer and Lecturer

Bob frequently authors articles and speaks on family law topics. He serves as a co-editor for Pennsylvania Family Lawyer, the official quarterly publication of the Pennsylvania Bar Association Family Law Section, for which he has also contributed numerous case notes.

---

*"I approach cases by first carefully listening to my clients' concerns and objectives. I work tirelessly with my clients to develop a strategy, discuss potential outcomes and make the best decision for their future. Despite my calm exterior demeanor, I attack my cases with incisive authority."*
