

Meghan L. Zupancic
Associate

"Clients come to me in what is likely the darkest time of their lives. I aspire not only to achieve the best possible outcome to their case, but to empathize with them and empower them. I get to know my clients from their main goals down to their children's birthdays, and I communicate and explain each step of the process because knowledge brings comfort."

Meghan L. Zupancic brings specialized collaborative training to her practice focused on custody, support, equitable distribution, adoption and guardianship issues.

Unparalleled Support

Meghan's primary goals in each case are to clearly understand her client's needs and ensure they feel informed and supported each step of the way. Meghan's empathetic approach coupled with meticulous preparation and attention to detail serve her clients well, whether she is working to negotiate a settlement through the collaborative process or aggressively litigating a case. A graduate of Duquesne University School of Law, Meghan is admitted to practice law in Pennsylvania.

Strong Advocate

Advancing the legal community and serving families are priorities for Meghan. During law school, she interned in Duquesne University's Family Law Center and volunteered as a certified legal intern with KidsVoice, an organization providing legal support for abused, neglected and at-risk children. She was named a 2019 Fellow of the Allegheny County Bar Foundation, a nonprofit organization established by ACBA to help provide pro bono legal services in our community.
